

TYRANNOSAURUS RED 2014

Tasting Note:

A juicy, soft red wine with lots of fruit appeal. It has a pale ruby core with subtle legs. The tantalising aromas include morello cherry and plum with a herbal scent of thyme. On the palate, juicy ripe fruit marries well with mouth-watering acidity to give uplifting freshness. Abundant fruit flavours of peppered strawberries and sour cherry mingle with soft tannins and a subtle smokiness from the oak. It is youthful and vibrant with a long finish.

Food Matching:

Serve at room temperature as a great match for pork dishes including roast pork with crackling or Chinese pulled pork with a honey and soy dressing. Also good with a fruity lamb tagine or spiced meatballs in tomato sauce. It can even be served slightly chilled with monkfish wrapped in bacon.

Blend: 82% Pinot Noir, 14% Rondo, 4% Pinot Meunier

Acidity: 4.8 g/l (pH 3.67)
